

Dear Exhibitors,

As you will have heard already from our email announcement last Friday, we have come to the tough decision to postpone Techtexsil North America and Texprocess Americas to December 15-17, 2020 due to the worldwide spread of COVID-19 and the subsequent restrictions on travel and events. We understand you have questions and assure you we are working as quickly as possible to get you answers.

As it stands, your exhibit space contract, booth placement, and balance paid will be maintained for the postponed dates of December 15-17, 2020. If unable to participate in December we will provide next steps shortly. At this time we ask for your patience and understanding. We are working closely with our vendors, many of which are overloaded with the current situation, and we will relay updates as soon as possible.

Hotel Reservations | Connections Housing has sent out cancellation notifications. In the coming weeks, you will be notified to re-book.

Exhibitor Services | Important deadlines will also be postponed and we are working to update the Exhibitor Service Manual with the latest information. More updates to come with regard to your existing service orders.

Flights | Don't forget to cancel and re-book your flights for December (*we're seeing low rates right now!*)

Advertising & Sponsorship | All purchased opportunities will roll to December and design deadlines will be postponed. That means more time to secure advertising if you have not done so yet!

Feathr Marketing Dashboard | We are working with the team at Feathr to update your custom landing pages, email templates, and booth banners.

Thank you for your kind support as we navigate this unprecedented situation. We hope you all stay healthy and look forward to hosting you in Atlanta this coming December!

Best Regards,

Sarah Hatcher | Sales Manager
