

STUDENT RESEARCH POSTER PROGRAM 2025

The 2025 edition of Texprocess Americas is now accepting abstracts for the Student Research Poster Program, being held at the Georgia World Congress Center in Atlanta, GA, May 6-8, 2025. Formerly the Graduate Student Poster Program, the 2025 edition is now accepting applications from undergraduate students, as well as those currently in pursuit of their Master's or Ph.D. We invite you to submit your unpublished, technical research to be considered for this opportunity to present your findings on the show floor among industry professionals.

Why Participate in the Student Research Poster Program?

- Network with top manufacturers, product developers, retailers & more with three days of complimentary exhibit hall access.
- Share your ideas and research experience with peers from other academic institutions.
- Receive discounted admission to Symposium sessions led by industry subject-matter experts.
- Familiarize yourself with the range of products offered by the Textile community.
- Access new and innovative research and trend activities.
- Identify potential future employers and foster collaborative research with global brands.

Abstracts are solicited in (but not limited to) the following areas:

Sewn Products & Equipment

- Cutting
- Design
- Fit & Sizing
- Inventory Management
- Online Shopping
- PLM
- Product Development
- Robotics
- Sewing
- Spreading
- Virtual Dressing

Submission Details:

- Application deadline is February 28, 2025
- Abstracts must be 250-300 words.
- Poster is due by March 28, 2025 in a high-resolution PDF format, 36" wide x 60" long.
- All submissions must include: name, school affiliation, telephone number, e-mail address and mailing address.

Application, project submission and inquiries should be sent to Samantha Nipper:
